Tape Systems**

**P**remier Coatings LTD.  
is a wholly owned  
subsidiary of  
Winn and Coales  
International, originally  
established in  
London, England.  
The company has an  
international reputation  
for the reliability of their  
anti-corrosion and  
sealing systems.

# Leaders in Corrosion Prevention and Sealing Technology

## Petrolatum Tape Systems

Provides a long term corrosion protection to above and below ground pipes, flanges, valves and related surfaces.

## Bitumen and Butyl Tape Systems

High performance adhesive tapes for above and below ground pipe, coating of weld joints, fittings and fabrication, and seaming and repair of geomembranes.

## Protal Liquid Pipeline Coatings

A full range of fast cure, high build epoxies for a variety of above and below ground corrosion protection.

## Sealing and Molding Products

Self-supporting molding compounds for irregular surfaces such as flanges and couplings used in conjunction with petrolatum tapes.

## SeaShield Marine Systems

A full range of steel, concrete and timber pile rehabilitation systems including petrolatum systems, fiberglass jackets, epoxy grouts and many other products.

## Archco Liquid Coatings & Linings

Range of coatings and linings for rigs, tanks and many other applications.
